Not In Picture:

Scott Brown, Cindy Benda, Nichole Gessel, Rene Munoz

Class Highlights

We are very proud of the things we have done and learned in school this year. We learned how to use dictionaries and encyclopedias. We learned how to write reports as well as give oral ones, plus we learned to stretch our minds by writing many creative stories and doing lots of art projects. We practiced being good citizens in the classroom and in school. We entered the Solano County Dental Poster Contest and one of our classmates won first place. We have worked hard and had fun.
